

LLOYDIA

A Quarterly Journal of Biological Science

THEODOR JUST, *Editor*

JOHN H. HOSKINS, *Associate Editor*

Vol. 14, Nos. 1-4, 1951

LLOYD LIBRARY AND MUSEUM

Lloydia—Publication Office, 50 East Broad St., Columbus, Ohio

Editorial Office—309 W. Court St., Cincinnati, Ohio

CONTENTS

No. 1, March, 1951

Availability to Wheat Plants of Iron in Very Insoluble Glass Frits— <i>F. L. Wynd</i>	1
Response of Snapdragons to Very Insoluble Iron-Containing Frit— <i>F. L. Wynd and Roy A. Bowden</i>	34
Absorption of Manganese and Iron by Navy Bean Plants Grown in a Calcareous Soil Fertilized With a Manganese-containing Glassy Frit— <i>F. L. Wynd and Erling Rein Stromme</i>	40
Response of Chlorotic Blueberry Bushes to a Very Insoluble Iron-containing Glassy Frit— <i>F. L. Wynd and Roy A. Bowden</i> ..	55
The Genus <i>Tapeinostemon</i> (Gentianaceae)— <i>Julian A. Steyermark</i> ..	58

No. 2, June, 1951

A Morphological Study of <i>Stylidium graminifolium</i> — <i>K.</i> <i>Subramanyam</i>	65
The Genus <i>Luxemburgia</i> (Ochnaceae)— <i>John D. Dwyer</i>	82
Studies in the Araceae—I— <i>Alex D. Hawkes</i>	98
Taxonomic Notes on the Ustilaginales— <i>Lee Ling</i>	101
A New Needle-Cast Fungus on Chihuahua Pine— <i>F. A. Wolf</i>	111
Florida Hydnums— <i>William A. Murrill</i>	115
Physiological Studies of Some Phytophthoras III. Carbon Requirements— <i>B. S. Mehrotra</i>	122

No. 3, September, 1951

A Monograph of the Arachnopezizeae— <i>Richard P. Korf</i>	129
Some Lichens from Eastern Kentucky— <i>William L. Culberson</i>	181
Florida Gasteromycetes— <i>William A. Murrill</i>	187
Florida Rosy-spored Agarics— <i>William A. Murrill</i>	194

No. 4, December, 1951

A Monograph of Species of <i>Puccinia</i> Occurring on <i>Salvia</i> in North America— <i>John W. Baxter and George B. Cummins</i>	201
Taxonomic Notes on the Rosaceae of Formosa— <i>Hui-Lin Li</i>	231
Phosphate Absorption by Georgia Grass (<i>Paspalum plicatulum</i> <i>Michx.</i>)— <i>F. L. Wynd</i>	239

Dates of Publication

Volume 14, 1951

Number 1, March.....	May 25, 1951
Number 2, June.....	September 20, 1951
Number 3, September.....	January 10, 1952
Number 4, December.....	March 15, 1952
